Questionnaire to support pupils in September

Dear Parents/Carers,

I hope that you are all having a restful summer. Although we will be focusing on positivity and new starts in September, in order for our school to be fully prepared for, and aware of, the needs of our pupils, and in an effort to support the children well during this time, please could you complete the form on the following link by Thursday 27th August at the latest?

https://forms.office.com/Pages/ResponsePage.aspx?id=uSV-qDh500O4cXCzoo70INQ6_HkNNI5KhfcvEllbvxBUQjdHUFg1SFk1UFBLQUpFODhGSDA5VjBBNy4u
Some information will be gathered directly from an adult but you may also wish to ask your child for their thoughts to support us depending on the age of your child. You can complete one form per family but please state which child you are referring to if things have affected one of your children differently.

Please only complete information if you feel comfortable doing so. This information will be kept confidentially and will only be shared with school staff. If there are aspects that you would only like the Headteacher to have details of, please inform through the final question or within your answers.

Information provided will help us in being able to organise our learning processes, values to focus on, activities to be developed and support we can offer within school in a range of ways. Some of the resources below may also support you in discussing worries or things to look forward to in preparation for answering some of the questions. If your child is in Nursery/Reception/Year 1, you may not feel that you or your child can answer some of the questions. Please record 'Not Applicable' if required.

Letting go & future plans – Partnership for Children

An important part of preparing to go back to school is to reflect on what has happened during coronavirus, as well as looking forward to the future. Parents can complete this simple activity sheet with their child to help them let go of things they may have missed out on during the lockdown.

Going back to school – Partnership for Children

Parents can work through this table with their children to explore the things they may be worried about when going back to school, and ways to calm those worries.

We would really appreciate as many families as possible to complete the form by 27th August as it will really help the staff in school to support wherever possible.

Kind regards.

Louise Probets
