

Week Ending Friday 10th September 2021

Welcome back!

It has been fantastic seeing the children back in school this week. They all look so smart, and have settled back in to the school routines so well. I have emailed an updated copy of the COVID risk assessment today.

We are continuing to communicate with you via email and MarvellousMe as well as posting this information on the school FaceBook group and Twitter feed (StFrancisPSIB). The letters that you should have received are:

- COVID risk assessment (new one sent on 10.09.21)
- Y3 Tag Rugby Festival (sent on 09.09.21 and 10.09.21)
- Reception Welcome letter (sent on 09.09.21)
- Updated P.E. Days (sent on 08.09.21)
- Marvellous Me information (sent on 08.09.21)

If you have not received these, please let us know as there may be an issue with the system that we use. If you need updated MarvellousMe join codes, please let your child's class teacher know.

Themed Week—Sharing our school vision, values and focusing on 'LIGHT'

This week, the children have been reminding themselves of the school vision, Christian Values and our school theme of Light. The children have thought about classroom promises, how they can shine and support others and work together within our school.

Each letter of the word 'LIGHT' means something different:

- L—Love** (including friendship, kindness, looking after the environment, respecting others)
- I—Ignite** (having a passion for learning new skills and increasing our knowledge)
- G—God** (we are a Church school and support the Christian Values in all that we do)
- H—Hope and Happiness** (we show positivity, resilience and enjoy the opportunities throughout school)
- T—Truth** (we are honest and truthful)
