

St. Francis of Assisi Church of England Primary School

Information for parents—upcoming events—March 2022

Easter Egg Competition

We are holding a “decorate an egg” competition for any budding artists. If children would like to participate, they simply decorate a hard boiled egg and bring it into school on **Tuesday 5th April (except end of the week Nursery who can bring decorated eggs on Wednesday 6th April)**. Our judges will choose the best from each class, as well as some close runners up from classes, on Wednesday 6th April. If you would like to donate any small eggs (such as crème eggs) as prizes for the children taking part, we would really appreciate this. Please send these in at any time until 30th March 2022.

Children can receive help from parents/carers but those eggs decorated more independently will obviously be judged accordingly! Please ensure that your child’s name is stated. Eggs will be displayed in the classrooms or corridors.

Non-Uniform Day for Disasters Emergency Committee Towards the Ukraine Humanitarian Appeal—Friday 25th March (Monday 28th March for beginning of the week Nursery)

A number of children, during discussions with staff, have asked whether we can raise any money for families fleeing Ukraine. I am aware that we have already asked you for a great deal of donations in the last term so we would like to hold a non-uniform day where we would also encourage children to wear blue and/or yellow somewhere. If you would like to donate, please send money into school or make your own donations via any way you would like. All children can come to school in non-uniform, not just those who have made a donation.

THANK YOU!

Thank you so much to everyone who was able to contribute to the non-uniform day fundraising. As a school, we raised £1010.50 towards the fund.
